asset management

Now that the dust has settled on another successful IFP Conference we'd like to say thank you to everyone who visited our stand and entertained us with their participation in our rather unsophisticated activities.

Additionally, we hope you had the opportunity to engage with us to learn more about how we can help you look good in front of your clients.

For those of you who didn't get the time to speak with us, or for those who would like to find out more, please click the link to find your local Thesis office or for specific enquiries please contact [James Goward](#).

For those of you who don't know, our very own Chloe Bubb, came a very close second in the IFP's Got Talent Contest with her rendition of 'Use Somebody' by the Kings of Leon. You can listen to the track by clicking on the link in this email.

If you'd like to keep in touch sign up to our mailing list. We'll email you with the latest industry news and insight, ensuring you're always kept in the picture.
